BELRON® completes acquisition of Canadian glass operations

BELRON®, the global leader in vehicle glass repair and replacement, announces today that their Canadian subsidiary Belron Canada Inc., has completed the acquisition of the assets of the Canadian glass operations of Autostock International, a division of TCG International. The completion of this transaction, announced on 2 September 2005, follows regulatory clearance from the Competition Bureau.

Autostock International's Canadian glass operations, based in Burnaby, B.C., include Speedy Glass, Apple Auto Glass, Novus Repair and Replacement, Autostock Distribution, and 1st Report Claims Services. Autostock International has 260 service centres and 33 distribution facilities across Canada.

By acquiring the assets of Autostock's Canadian glass operations, Belron Canada customers will now have access to an extensive corporate and franchise network as well as an improved wholesale distribution network across the country.

D'leteren

D'leteren is an international group, active in three sectors of services to the motorist :
